**INNOVATIVE TEACHING TOOLS FOR
PROFESSIONAL MUSIC TEACHERS
AND STUDENTS OF EVERY LEVEL!**

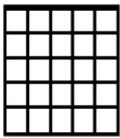

The Music Stamp™ Series is a new line of innovative, self-inking stamps, developed to greatly enhance the teaching and learning process. Designed and built for music teachers, students, and working musicians, **The Music Stamp™ Series** helps to more clearly illustrate musical notation, theoretical rules, ideas, and concepts quickly and more effectively.

Each stamp, when simply depressed, depicts the playing area of the fretboard of a guitar, bass, mandolin, banjo, or the keyboard of a piano. Chords, scales, arpeggios, and melodic and harmonic patterns can now be more clearly and concisely illustrated.

Say goodbye to those sloppy, illegible, hand-drawn diagrams!
